

St. John's Sea Lions Swim Club is excited to introduce the head coach for the spring and summer sessions, Eric Murray. Eric is from Fenton and is currently teaching high school at Owosso. He has been a swimmer since he was a young boy and always had that drive to out-swim his older brother.

He coached the Owosso High School's boy and girl teams. He took the boys to first place in the Capital Area Activities Conference - Red Title in 2015 for the first time in Owosso's history. He was, also, named Coach of the Year in 2015. He has been an assistant coach for Michigan State University. Eric trained under the head coach of a 13 NCAA Championship team in Texas.

He wants to work on stroke technique and personal goal setting and building with the swimmers this spring and summer. We are excited to have Eric Murray join our staff of coaches and work with our swimmers!
